URBAN TAN THURSDAYS 18

**Before your Urban Tan there are some tips to help you get the best results:*

- Exfoliate and moisture the day prior to tanning Shave or wax the day prior.
- Remove all make up, perfume or deodorant just before you have your spray tan.

**After your tan there are some tips to help you extend the life of your tan:*

- Wear loose, dark clothing so not to rub or leave marks on the tan.
- Leave for a minimum of 8 hours or overnight.
- Do not take part in any physical exercise which may lead to sweating.
- Do not swim, Chlorine also bleaches the skin so will fade the tan quicker.

**Also it contains no sunscreen, so will not protect from sunlight.*
